COMMUNITY COLLEGE
system of New Hampshire

Stay at Home 2.0 Universal Guidelines
COVID-19 Student Screening

In compliance with the Stay at Home 2.0 universal guidelines enacted by the State of New Hampshire on May 1, 2020, CCSNH Students who have been scheduled to be onsite must be screened daily prior to reporting to class. This screening must be completed by students only on days when they are scheduled to be onsite.

Please complete the following screening information and submit the form at the checkpoint when arriving on campus. The information collected will be used only for the purpose of maintaining safe and healthy business operations and shall be maintained as confidential.

Section 1.

Student Name:_____ Date:_____

CCSNH Institution: Lakes Region Community College Time:_____

Course:_____

Section 2.

1. I attest that I have taken and recorded my temperature prior to arriving at LRCC and that my temperature was:

   [ ] 100.4 degrees Fahrenheit or lower. [ ] Higher than 100.4 degrees Fahrenheit

2. Have you been in close contact with a confirmed case of COVID-19? [ ] Yes [ ] No
3. Have you had a fever or felt feverish in the last 24 hours? [ ] Yes [ ] No
4. Are you experiencing any respiratory symptoms including a runny nose, sore throat, cough, or shortness of breath? [ ] Yes [ ] No
5. Are you experiencing any new muscle aches, chills, severe fatigue? [ ] Yes [ ] No
6. Are you experiencing any new gastrointestinal symptoms (nausea, vomiting, diarrhea?) [ ] Yes [ ] No
7. Have you experienced any new change in your sense of taste or smell? [ ] Yes [ ] No
8. Have you traveled in the past 14 days internationally (outside US) by cruise ship, or outside New England (NH, VT, RI,CT,MA and ME)?
9. If you have traveled outside of New England or have traveled from outside of New England, have you quarantined for 14 days. [ ] Yes [ ] No

If you answered yes to any of the questions above or have a temperature that exceeds 100.4 degrees Fahrenheit, you will need to leave the college and report home. You will not be permitted to return to on-site coursework until you are free of fever, and any other symptoms for at least 72 hours, without using fever reducing or symptom altering medication. AVPASA Laura LeMien will be contacting you.
