### **Campus Crime Information**

In accordance with the Campus Security Act, Lakes Region Community College provides information related to crime statistics and security measures. For further information, contact the Vice President of Student Services & Enrollment Management.

All current and prospective students, as well as, all current and prospective employees have access to the Campus Safety Report and the most recent campus crime statistics. This is part of the Federal Law No.101-542, the Student Right-to-Know and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1999 (formerly the Campus Security Act of 1990). LRCC's Culinary and Pastry Arts Programs are housed off campus. Until 2012, the programs were housed at the Belmont Mill in Belmont, NH. Since 2013, the programs have been located at the Shaker Table Restaurant at Canterbury Shaker Village in Canterbury, NH. For the purposes of reporting, "Non-campus Belmont/Canterbury" refers to the locations aforementioned. See the Appendix for all reportable offenses for the past 3 years.

Amendments to the Campus Security Act require colleges and universities to annually compile and publish crime statistics for their campuses and certain off campus locations. It also requires that Campus Safety Authorities report crime statistics for inclusion in the college's annual Campus Safety Report. Campus Safety Authorities are defined by position as "an official of the institution that has significant responsibility for student and campus activity, and any individual or organization specified in the statement of campus security policy as one to which students and employees should report criminal offenses." This includes advisors to student organizations, members of campus safety, and offices within Student and Academic Affairs, with the exception of health and counseling services. As per our normal practices, you should continue to immediately report any crime or violation of the Student Code of Conduct to the LRCC Campus Safety Department or the Office of the Vice President of Student Services and Enrollment Management. If you become aware of any crime or if any person reveals to you that he/she

learned of or were the victim of, perpetrator of, or witness to a crime, and this crime has not been reported to anyone else, report the crime using the *Campus Safety Incident Report Form* available online at <http://www.lrcc.edu/student-resources/incident-report> and in print from the Office of the Vice President of Student Services and Enrollment Management (Turner 113).

Sexual advances, requests for sexual favors, non-verbal, verbal and/or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education;
2. Submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual;
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or of creating an intimidating, hostile or offensive employment, education or living environment.

Sexual harassment is illegal under both State and Federal laws. In some cases, the individual may be susceptible to prosecution under the criminal sexual conduct law. Chancellor, Vice Chancellor, Presidents, Vice Presidents, and Division/Department Heads are urged to take appropriate steps to distribute this policy statement and to inform employees and students of procedures for lodging complaints. A student should notify the Affirmative Action Coordinator in the school or college. At any time, a student may contact the Affirmative Action Director for counseling and advice.

### **Sexual Assault**

Victims of sexual assault and/violence are urged to first call 911 and request help. It is important to receive medical attention for treatment of injuries sustained during the assault, for testing for pregnancy and sexually transmitted diseases, and collecting evidence to be used if you choose to press charges. For a list of local hospitals and available resource centers, visit <http://www.lccc.edu/student-resources/student-life/health-and-wellness> or see a college counselor.

To address alcohol consumption at the CCSNH, all Colleges in the CCSNH shall provide educational programs on the abuse of alcohol and other drugs and provide referral for assistance for students who seek it. Colleges are encouraged to establish campus-wide committees to assist in development of these programs in response to particular campus needs and identification of referral resources in their respective service regions.
3. Alcohol is not permitted on CCSNH property, including any of the Colleges, academic centers, leased facilities except as specifically allowed by CCSNH policy and laws governing the acquisition, distribution, possession or consumption of alcohol. The sale or

(*Board Policies*, Board of Trustees – Community College System of New Hampshire <http://www.ccsnh.edu/documents/boardpolicies.html>).

### **Dangers of Drug and Alcohol**

The physical and mental dangers associated with the use and abuse of drugs and alcohol are numerous. Heavy drinking over a period of time can cause physiological damage, physical problems, and serious nervous or mental disorders. Addiction to drugs or alcohol not only impacts upon the abuser, it places profound stress upon family members, relationships, and friendships. The college is concerned about abusers utilizing tools and equipment, which can be harmful to the individuals as well as to others nearby. Once again, the use of alcohol and/or drugs is strictly forbidden on campus.

### **Assistance**

The College realizes that circumstances place individuals into situations that may lead to dependence upon drugs and/or alcohol. Recognizing its responsibility to be concerned with the total well-being of its students, the college provides referral service to those in need of counseling or medical support. Individuals are urged to seek assistance from a counselor and to secure the proper treatment they may need. Below are resources for substance abuse and treatment centers.

### **How to Prevent Crimes**

Members of the college community must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common sense precautions. For example, although the campus is well lit, any student may feel more comfortable calling the Campus Safety Department for an escort to their vehicle. Also, consider using the “buddy system” to walk to the parking lot. Vehicles should always be locked and valuables stored out of sight. Any suspicious individuals or activity should be reported to College staff immediately.

Potential or actual criminal activity and other emergencies can be reported directly by any student, faculty or staff member to the Campus Safety Department. The College encourages reporting directly to the local authorities in situations where the need is obvious, such as a theft

you see taking place or a situation requiring immediate medical attention, etc. Notification of College personnel should take place after the emergency services are on their way to the campus.

Lakes Region Community College expects students to be mature, honest and responsible members of the College community. Any behavior which infringes upon the rights, safety, property and privileges of another person or which impeded the educational process is unacceptable. In addition, any behavior or activity that violates local, state or federal law is unacceptable. For further information, refer to the Student Code of Conduct located in the Student Handbook.

Any violation of these rules or local, state and federal laws on campus should be reported to the Campus Safety Department. Violations of the law will be reported to the appropriate local, state or federal authorities.

Disciplinary issues are the responsibility of the Student Affairs Office and the Judicial Committee of the College. The Vice President of Student Services and Enrollment Management or his/her designee may take administrative disciplinary action when necessary to ensure the safety of students, faculty and staff and to ensure the continuation of the educational process.

### **Crisis Management Plan**

Lakes Region Community College has a Crisis Management Plan following the of the Federal Emergency Management Agency (FEMA)'s National Incident Management System (NIMS). The NIMS model utilizes a comprehensive approach to incident management that can be applied to a variety of emergencies.

In the 2014-15 academic year, the parties involved reviewed the existing emergency guides and replaced them with a new Emergency Response Guide. The guides are color coded with each color corresponding to a specific type of emergency and the expected response. All classrooms, offices and common areas on campus have a guide available. Template alerts were developed for use with each one of the possible emergency scenarios. Staff responsible for sending alerts have access to prescribed messages which can be edited quickly for prompt distribution to the campus community.

There are ongoing trainings for faculty and staff on the use of the guides, LRCC Alerts and our paging system to communicate an emergency situation. In addition, LRCC invested in the installation of an electronic lock-down system enabling appropriate staff to lock-down campus buildings using campus IDs.

## Timely Warnings

In compliance with the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** (Clery Act), Lakes Region Community College will post **timely warnings** for our educational community to notify members about serious crimes that occur on our campus. Having knowledge of such crimes will assist community members in making informed decisions about their personal safety and in preventing similar crimes from occurring. These warnings will be posted if a serious crime on campus constitutes an ongoing or continuing threat to the community. These crimes may be reported to the local police department.

The decision to issue a timely warning shall be made on a case-by-case basis in compliance with the Clery Act. The decision is made by the Lakes Region Community College President, or designee, considering all available facts, whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

Lakes Region Community College may issue timely warnings for the following incidents:

- Criminal Homicide
- Sex Offenses
- Aggravated Assault
- Robbery / Burglary
- Motor Vehicle Theft
- Major Incidents of Arson
- Other crimes or emergencies as determined necessary by the Lakes Region Community College President, or designee.

Timely warnings are not issued for the above listed crimes if:

- The subject(s) apprehended and the threat of imminent danger to our community has been mitigated by the apprehension.
- If a report was not filed with Lakes Region Community College in a manner that would allow the department to post a “timely” warning to the community. Unless there are extenuating circumstances, a report that is filed more than five days after the date of the alleged incident may not allow the College to post a “timely” warning to the community. This type of situation will be evaluated on a case-by-case basis.

A timely warning and updates may be distributed to the campus through any one or more of the following mechanisms:

- **LRCC ALERTS:** a free service that sends voice/text messages and email alerting the College community regarding an emergency situation on the College campus. Students can visit the Alerts link found on our main College web page to update/change their contact information. Faculty and staff are automatically registered for the Alerts program and should contact the LRCC HR department to keep emergency contact information updated.

- **Directed Communications/Email:** The College will use the email system to alert students, faculty, and staff.
- **Fliers:** posted on bulletin boards in academic buildings, outdoor boards, kiosks, and administrative buildings.
- **Through our college web site which can be found at <http://www.lrcc.edu>.** Local area radio and television stations and print media.

A copy of an issued timely warning will be kept with College files relating to the crime. The College may also issue “**Safety Alerts**,” when necessary, to apprise our community of safety issues and concerns. These “safety bulletins” will include safety tips and recommendations to follow so that individuals can make informed decisions about personal safety.

#### **Availability of the Campus Security Report**

The annual Campus Security Report is available October 1<sup>st</sup> of each year. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus, in certain off-campus buildings or property owned or controlled by LRCC; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes College policies concerning campus security, such as policies concerning sexual assault and other matters. This report is available in LRCC’s online Student Handbook, <http://www.lrcc.edu/student-resources/student-handbook>, and directly from the following link <http://www.lrcc.edu/student-resources/campus-safety>.
