Automotive Technology Required Tool List

Tool Box	Screw Drivers		
Roll cabinet or cart 36" width max	Screwdriver set		
	Pocket screwdriver (flat blade)		
Ratchets and Sockets	Pocket screwdriver (hillips)		
1/4" Deep and shallow set 5.5-13mm1	#2 Pozidrive driver		
1/4" Ratchet			
1/4" Drive 3/8" drive adapter			
3/8" Ratchet	Pliers		
3/8" Shallow socket set 8-19mm	10" locking plyers		
3/8" Deep socket set 8-19mm	Adjustable joint (water pump) pliers		
3/8" Drive 1", 2", 6"and 12" extensions	Retaining Ring Pliers (reversible with fixed Round tip)		
3/8" Hex socket 3/8" drive	Pliers set (needle nose, diagonal & combination)		
3/8" Drive speed wrench	Snap ring pliers set flat tip		
3/8" Drive to 1/2" drive adapter	Wire crimpers/strippers		
1/2" – 3/8" adapter	Whe elimpers/surppers		
1/2 " Drive ratchet	Safety Equipment		
1/2" Shallow socket set, 10-24mm	Safety glasses		
1/2" Deep socket, 10-24mm	Goggles		
1/2 Deep socket, 10-24mm	Goggies		
1/8/10 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1			
1/2" Drive deep impact sockets 15mm, 17mm, 18mm, 19mm, 21mm, and 22mm	Hearing (ear) protection		
1/2" Drive breakerbar	Leather gloves		
Axle nut socket set (29, 30, 32, 34, 35, & 36mm) 12point	Flashlight		
Torx socket set #8 to #60 Internal Torx E4 to E18 external	Fender cover		
Ignition System Tools	Measuring Tools		
Spark (ignition) HEI tester	Digital caliper 6"		
12mm spark plug socket	6" Steel rule (metric and inch)		
5/8 Spark plug socket	12' Measuring tape (metric and inch)		
14 mm spark plug socket	Feeler gauge set (with brass leaves)		
Dwolrog	Donald Chirol & Eller		
Brakes	Punches, Chisel & Files		
Brake hold down spring tool	Punch and chisel set (include brass drift)		
Brake hold down spring tool Brake pad thickness gage			
Brake hold down spring tool Brake pad thickness gage	Punch and chisel set (include brass drift)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool	Punch and chisel set (include brass drift) 10" Mill file		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool	Punch and chisel set (include brass drift) 10" Mill file		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool	Punch and chisel set (include brass drift) 10" Mill file File handle		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers	Punch and chisel set (include brass drift) 10" Mill file File handle Other		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (metal band type)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter 32mm socket for EcoTec Engine		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter 32mm socket for EcoTec Engine 12 volt test light		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 7mm to 24mm	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 7mm to 24mm Metric flare nut wrench set 8-21mm	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter 32mm socket for EcoTec Engine 12 volt test light		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 7mm to 24mm Metric flare nut wrench set 8-21mm Side post battery wrench 5/16 / 8mm	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter wrench (metal band type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 8-21mm Side post battery wrench 5/16 / 8mm 1/2" impact wrench	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter wrench (metal band type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted) Laptop Computer		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 8-21mm Side post battery wrench 5/16 / 8mm 1/2" impact wrench	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter wrench (metal band type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted)		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 8-21mm Side post battery wrench 5/16 / 8mm 1/2" impact wrench	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter wrench (metal band type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted) Laptop Computer		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 8-21mm Side post battery wrench 5/16 / 8mm 1/2" impact wrench	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter wrench (metal band type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted) Laptop Computer		
Brake hold down spring tool Brake pad thickness gage Brake return spring tool Brake adjusting tool Hammers Impact driver Rubber mallet 24 oz. ball peen hammer 24 oz. dead blow hammer Tire & Wheel Tire valve core tool Tire thread depth gage Tire pressure monitor rest tool EL 50448 or equivalent Digital tire inflator tool Wrenches Metric combination wrench set 7mm to 24mm Metric flare nut wrench set 8-21mm Side post battery wrench 5/16 / 8mm 1/2" impact wrench 1/2" drive 30 lb.ft.to 250 lb.ft. torque wrench	Punch and chisel set (include brass drift) 10" Mill file File handle Other Magnetic pickup tool Utility knife Inspection mirror Hacksaw with blade 18" Prybar Metal gasket scraper Plastic gasket scraper Miniature pick Set Metric hex key set Oil filter wrench (small cup type) Oil filter 32mm socket for EcoTec Engine 12 volt test light Trim stick (plastic pry tool) Rubber tipped blow gun (restricted) Laptop Computer Window based laptop/ tablet recommended
