I understand that if I drop a course by the end of 14th calendar day of the semester, the course will not appear on my transcript and I will receive a 100 % refund of tuition, less non-refundable fees. If the class meets in a format shorter than the traditional semester, I will have 7 calendar days from the designated start of the alternative semester to withdraw for a full refund. If I drop a course after the 14th calendar day, but during the first 60% of the semester, the course will be recorded as a "W" on my transcript and I will not receive a refund. Exception: students in courses that meet for two weeks or fewer must drop by the end of the first day of the class in order to get a 100% refund. Students registered for workshops must withdraw in writing at least three (3) business days prior to the first workshop session in order to receive a full refund of tuition and fees.
