

## Math Placement at LRCC

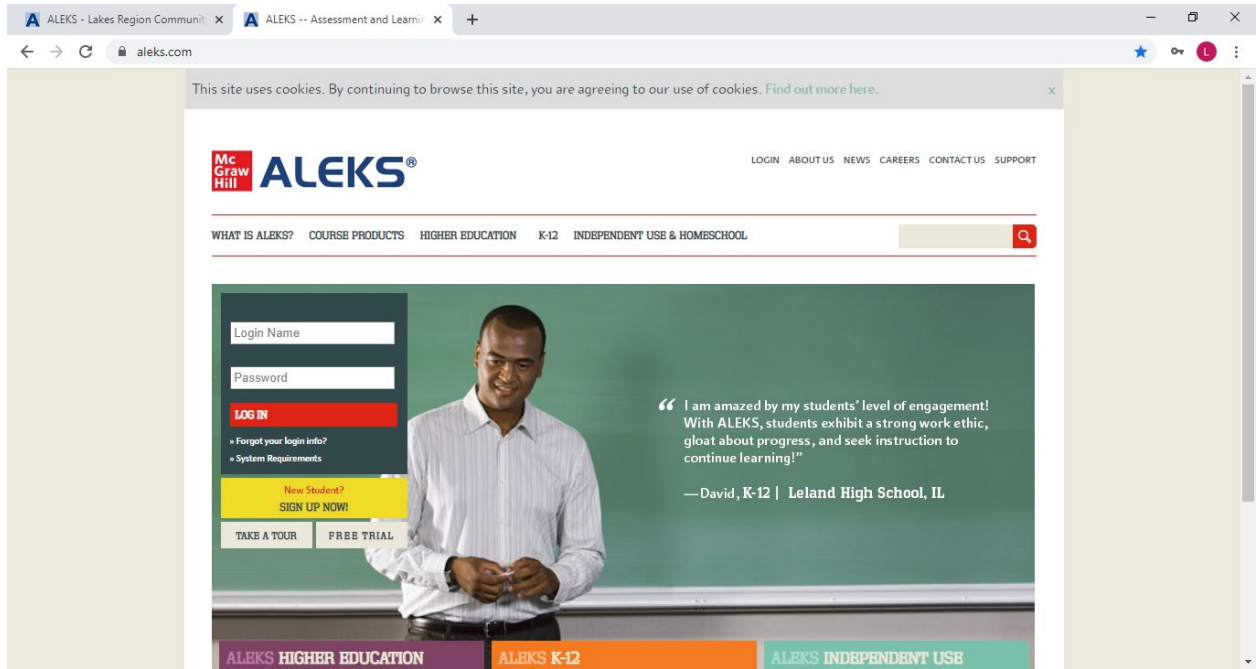

Each degree program at LRCC requires at least one, degree credit math course. In order to be successful in your required math course you must meet the placement requirements. If you are unsure of the math requirement for your program please reach out to the One Stop, 524-3207, or email one of our counselors to get that information, Melissa Ballard, [mballard@ccsnh.edu](mailto:mballard@ccsnh.edu) or Rachel Denmon [rdenmon@ccsnh.edu](mailto:rdenmon@ccsnh.edu).

If you place into a course that is below the degree required course, such as Math Prep, you may use the ALEKS PPL learning path to refresh or learn the necessary skills then you can retake the placement assessment to work toward a higher placement result. Please be aware that students who put 5-10 hours of practice work into ALEKS PPL and reassess have a high success rate for earning placement into a higher course.

Course #	Course Name	ALEKS Score Range
MATH0610L	Math Prep	0 – 18
MATH1290L	Quantitative Reasoning	19 – 37
MATH1310L	Boolean Algebra	
MATH1370L	Technical Algebra and Geometry	
MATH1420L	Essentials of Algebra	
MATH2110L	College Algebra	38 – 56
MATH2160L	Statistics	
MATH2250L	Finite Math	57 – 75
MATH2350L	Pre-Calculus	
MATH2700L	Calculus I	76 – 100

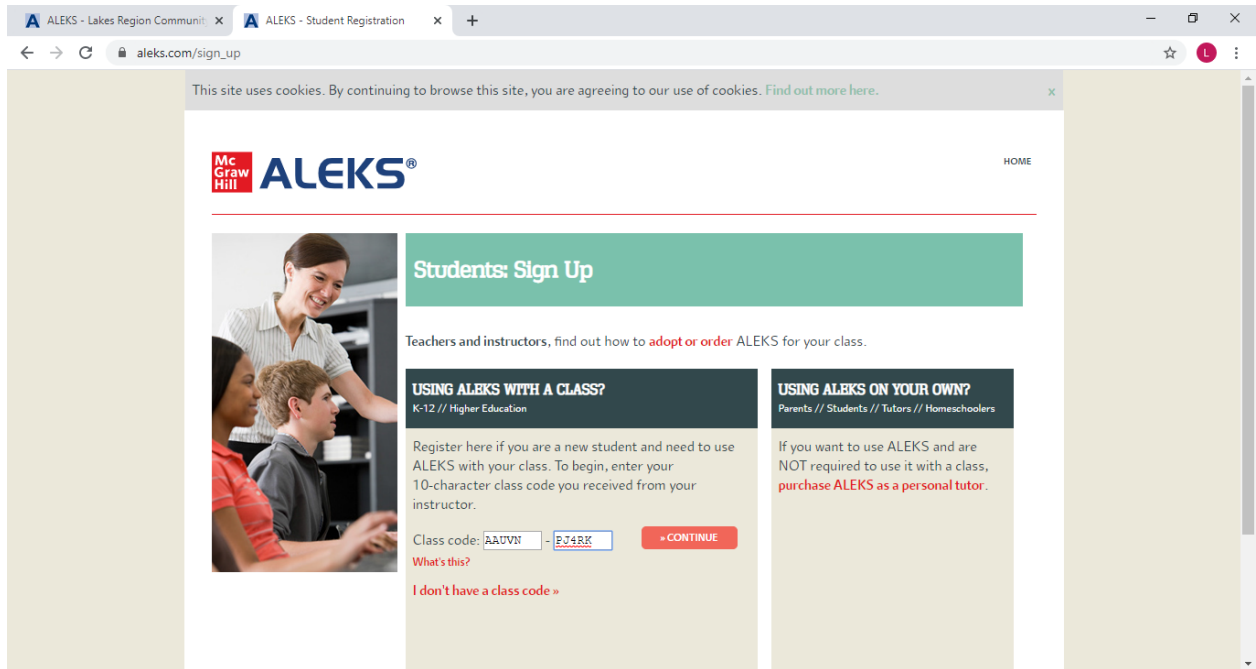

# How to Access Math Placement in ALEKS

1. Go to [www.aleks.com](http://www.aleks.com)

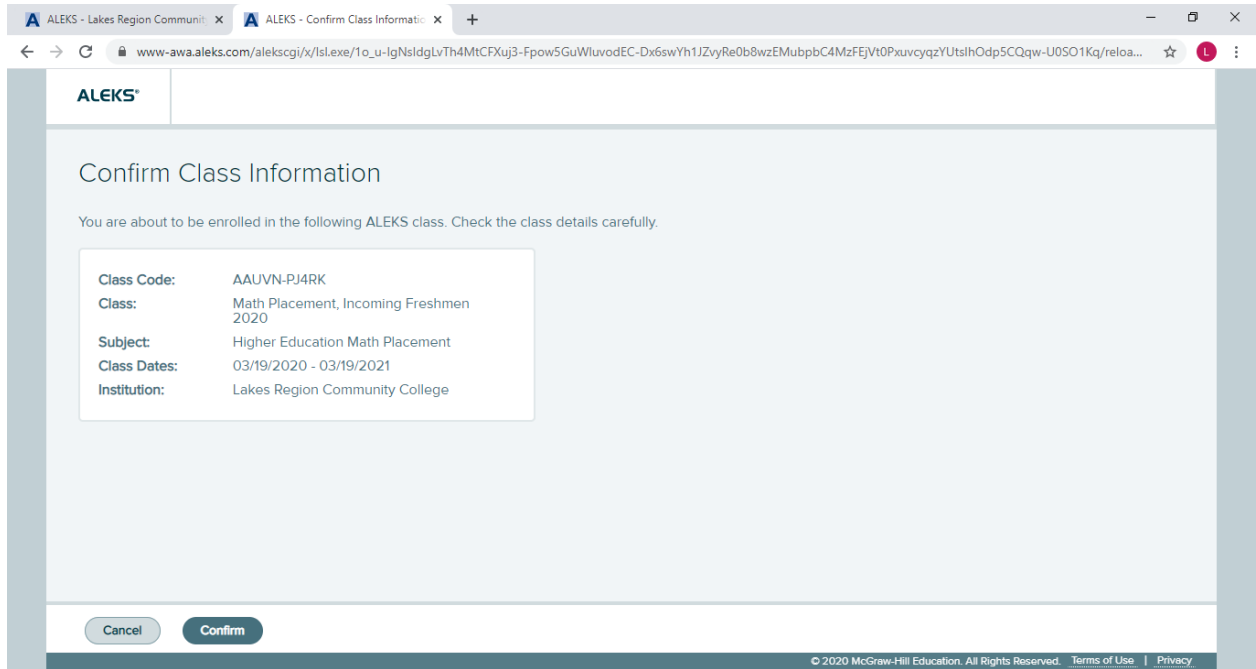

2. Click on "SIGN UP NOW!"

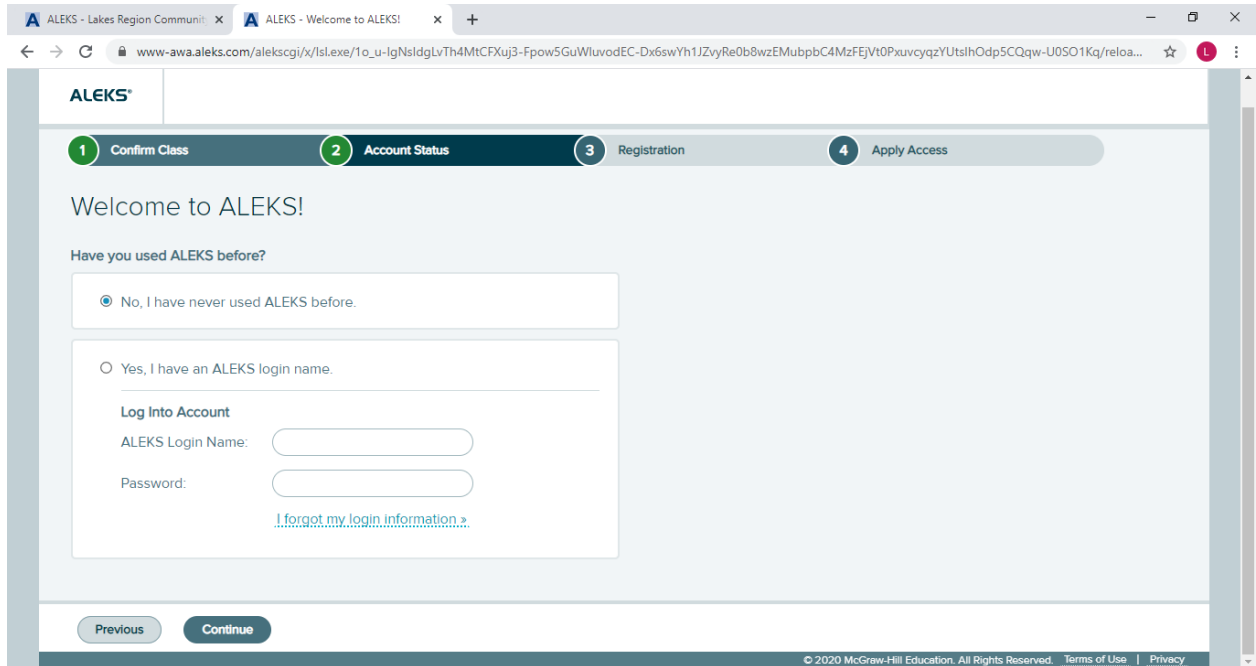

3. Enter Class Code AAUVN-PJ4RK

4. Make sure you see the screen below and click “CONFIRM.”

5. If you are new to ALEKS create an account; otherwise enter you ALEKS login information.

6. Follow the screens to set up your account; once you’ve set up your account you’ll see your Login Name. Make sure to take a picture of that or write down your login name so that you’ll be able to access ALEKS after the placement test.

7. You'll need to pay for the placement exam with a credit or debit card, so select "No I need to purchase an access code."

8. From here you will be prompted to enter your name, address and credit card information. As of this time (March 2020) the fee for this test is \$25.00 (\$22.01 plus a \$2.99 service fee).
9. Once you've completed the payment you will be prompted to start the placement exam. Please note that you will see your placement result upon completion of the assessment. Contact one of our college counselors to get help interpreting your placement result: Melissa Ballard, [mballard@ccsnh.edu](mailto:mballard@ccsnh.edu) or Rachel Denmon, [rdenmon@ccsnh.edu](mailto:rdenmon@ccsnh.edu).
10. Most importantly, please understand that you have purchased access to this ALEKS online program for 6 months. During that time, you may access the program and refresh your math skills by using the learning path. If you are striving for a higher placement result you may retake the assessment up to four times. Before you may reassess you will need to work in the ALEKS learning path for a minimum of 5 hours.
