HOW DID LAKES REGION COMMUNITY COLLEGE DETERMINE WHICH STUDENTS WOULD RECEIVE FUNDS?

Students were notified via email and advised to complete a simple application through the Student Information System (SIS), with a priority deadline of June 5, 2020. These applications

were the basis for determining student need and these students received priority in the awarding of funds. A secondary process identified all students with a FAFSA on file, packaged and enrolled as of March 13, 2020, who met the eligibility requirements of the HEA; these students were determined by LRCC to have been affected by the disruption of campus operations due to coronavirus. A third process identified housing students, who met the eligibility requirements of the HEA and were displaced due to disruption of campus operations due to coronavirus.

As a result of these processes, students were awarded as follows:

Group 1:

Eligible students who answered 'yes' to questions on the survey received the following:

0-2 questions answered \$600

3-4 questions answered \$900

5-6 questions answered \$1300

7-8 questions answered \$1599

Eligible students who had a FAFSA on file, packaged and were enrolled as of March 13, 2020 received \$380.

Students were sent an email notifying them of the amount of the refund and that the funds would be sent to them via Nelnet.
