A health form along with proof of insurance must be submitted to the Campus Life Coordinator before your housing assignment can be made. You can locate the [Health Form](#) on Lakes Region Community College's website.

## Room Reservation/ Security Deposit / Refund Policy

Students are expected to be full time (minimum of twelve (12) credits/semester as defined by Financial Aid) and must be registered for classes to be assigned housing and maintain the minimum number of approved credits throughout their housing agreement. Any student who is registered for less than twelve (12) credits, or drops below the credit limit must have approval from the Associate Vice President of Academic and Student Affairs or designee, to remain in the student apartments. **Your completed application form and your \$250 security deposit must be received to be considered for housing.** The \$250 deposit can be submitted through the [Student Information System \(SIS\)](#), mailed to 379 Belmont Road, Laconia NH 03246 or dropped off in the LRCC One Stop.

**The security deposit is non-refundable if the applicant breaches the terms of this contract.** Full refund of deposit can be obtained if the contract is cancelled in writing by July 1 for the fall semester, and by December 1 for the spring semester. Upon move-in, \$50 of the deposit is non-refundable as the room was scheduled to be prepared for move in. After occupancy of the room, students will be eligible for \$200 of the deposit to be returned, if the student does not incur any housing-related charges, damages or fines throughout the academic year. Students will not be assigned housing or issued room assignments until all required housing forms, including the housing application, housing contract, and the deposit are received. The health form must be submitted no later than 30 days prior to the start of the student's assigned move in day.

A student must be in residence no later than the first day of class unless the student gives prior notice of late arrival. Failure to give such notice or failure to remain in residence during the academic year, may result in the loss of space originally reserved for the student. In case of loss of space or termination of contract by Lakes Region Community College, the student shall be held responsible for the housing charge based on the refund housing policy.

If by Friday of the second week of classes, as designated by the academic calendar, the student fails to occupy the assigned room, cancels the agreement by mutual consent, or the **Housing Contract** is cancelled by Lakes Region Community College for a qualifying reason (see Terms of Agreement section), the student will receive an 80% refund of the semester's housing charges after fees. Any student registered for less than twelve (12) credits, or drops below the credit limit must have approval from the Associate Vice President of Academic and Student Affairs, or designee, in order to remain in student housing. Approval is not guaranteed and will be decided on a case-by-case basis. Room rates and associated fees are governed by Community College System of New Hampshire Board of Trustees and are subject to change.
2. Students interested in housing are eligible to complete and submit the housing application, housing contract, health questionnaire and housing deposit immediately upon being accepted to LRCC. Students completing the above requirements made will be assigned based on the date the above requirements were met. Housing assignments will be made in the order in which applications and deposits are received, and are not guaranteed until payment arrangements have been made in full. Students completing all requirements will be offered a space for the semester as soon as space is available.
3. Students must be in residence no later than the first day of class unless the student gives prior notice of late arrival. Failure to give such notice or failure to remain in residence during the academic year, may result in the loss of space originally reserved for the student. In case of loss of space for the above reasons or termination of contract by LRCC, the student shall be held responsible for housing charges based on the housing refund policy (See section on Refund Policy).
4. Students having a status of academic probation for the first time will be permitted to remain in housing if they maintain 12 credits, unless otherwise approved by the Associate Vice President of Academic and Student Affairs. After one semester on academic probation, if the student is placed on probation for a second continuous semester, the student must meet the 12 credit per semester minimum. A student who has a status of academic suspension will not be permitted to remain in housing. In both above instances, if the student wishes to appeal, and is honored their request, the normal credit limit is expected to be met unless otherwise approved by the AVPASA.
5. Lakes Region Community College reserves the right to assign and reassign any student during the length of their contract. Assigned rooms may not be occupied prior to the start of classes for each semester. The room charge is based on single or double room occupancy; therefore Lakes Region Community reserves the right to reassign any student without a roommate if he or she is unable to find a roommate of his or her own choice.
6. Students are expected to provide personal items to outfit each apartment beyond furnishings provided by Lakes Region Community College (see LRCC Housing Student Apartments Essentials). Student apartments are closed during holiday periods and when classes are not in session as indicated on the academic calendar. Students are not allowed to reside in the apartments during these periods unless otherwise approved by the Campus Life Coordinator, and additional charges may be applied for additional periods of stay.
7. Board charges are not included in housing charges or terms of this agreement. Students who wish to do so can purchase food directly from the Countdown Café.
8. Housing and tuition charges for the semester must be paid before a student is permitted to move into the student apartments. Students will not be considered for housing or issued housing assignments until the housing application, housing contract, health questionnaire and deposit are received. In the event of a credit balance on the student's account, the reimbursement will be made directly to the student.
9. Students are not permitted to utilize their apartment assigned to him/her for any commercial purpose. If belongings remain in the room after a student has vacated, Lakes Region Community College reserves the right to dispose of such belongings. Lakes Region Community College assumes no responsibility for the loss or damage to a resident's personal property. We encourages students to purchase or extend parent's insurance to cover loss for this purpose.

10. Lakes Region Community College reserves the right to use public areas of the student apartments for any purpose deemed necessary.

11. Students agree to abide by all guidelines outlined in the Residential Students Rights, Rules and Responsibilities and in the Lakes Region Community College Student Handbook. Please visit [www.lrcc.edu](http://www.lrcc.edu) for the most updated version of these documents.

12. Students requesting housing for the summer semester must be enrolled in a minimum of six (6) credits. Students requesting housing for the fall and spring semesters, must be enrolled in a minimum of twelve (12) credits

### **Payment**

In consideration of an assignment to Lakes Region Community College's Student Apartments for the full indicated academic year, the student agrees to pay an amount set by the college for a resident room and shared apartment, including activity, and parking fees if applicable, according to the schedule for payment.

The student agrees to take said resident room and shared apartment for his/her own use in accordance with this contract and with the established rules and regulations of Lakes Region Community College. All residents must vacate their rooms and apartments by 5:00 p.m. the day of their last class or examination at the end of each semester. Students must remove all personal possessions at the time of checkout unless otherwise approved.

### **Terms of Agreement**

This agreement is for a period of (a) one academic year, both Fall and Spring semesters; (b) only the Fall or Spring semester; or (c) the Summer session, for a period equal to the duration of the student's summer courses. Housing accommodations are not provided during Lakes Region Community College's vacation periods. Except with permission of the Associate Vice President of Academic and Student Affairs, all housing services, including access to the room, begin on the designated opening day and end by 5:00pm after a student's last final exam or cancellation of the agreement. Graduation, official withdrawal from LRCC, academic dismissal or suspension from LRCC, or mutual consent of the parties constitute the only basis for release from this agreement. There are no refunds for dismissal or suspension from housing due to student conduct violations or academic performance. If a housing renewal is not extended to a returning student or if a returning student is excluded from the second semester of the academic year, the result will be a cancellation of the agreement and charges assessed based on the refund schedule. Students residing at Lakes Region Community College and enrolled at another College or University are subject to the same terms of agreement, payment, termination, and refund schedule as Lakes Region Community College students.

For compliance purposes, the Community College System of New Hampshire and its Colleges collect names and social security numbers from all students attending the college. The Internal Revenue Service Code requires the college to produce a 1098-T tax form. The college's use of social security numbers will be limited to legitimate educational purposes. The college will exercise due diligence to protect the student's social security number and will not disclose it to anyone outside the college, except as authorized by federal or state laws or applicable policies.

### **Refunds**

Students who officially withdraw from the student apartments will receive refunds based on established schedules. Refund schedules are published on the LRCC website (<http://www.lrcc.edu/admissions/financial/deferred-refund>).

### Payment/Cancellation/Refund:

Lakes Region Community College will establish housing fees yearly and will announce proposed fees for each academic year. Upon non-payment of any fees or any charges herein provided, Lakes Region Community may refuse to register the student for next semester, issue transcripts, or allow the student to graduate. Lakes Region Community College will refund the student's housing fee in accordance to the refund schedule. Subsequent to occupancy, no release from this agreement or refund can be provided unless the assigned room and apartment is clean and sign-out procedures, including return of keys and settlement of obligations, are completed. Effective date of release will be determined by the date of such completion. All students intending to reserve a space in Lakes Region Community College student apartments must pay a security deposit. Preferences are on a first come first served basis of when the security deposit is received, unless extenuating circumstances exist as deemed by the Campus Life Coordinator.

Semester payment of tuition and fees (less "estimated" financial aid) is due ten (10) days prior to the first day of the semester (<https://www.lrcc.edu/mylrcc/lrcc-business-office/>).
