At Lakes Region Community College (LRCC) we continue to strive to provide a safe and healthy environment that enhances the learning process. We believe that all students and employees should be able to attend classes, work on campus, and/or participate in activities in an environment that is safe and secure. We are committed to working everyday towards that goal.

The College makes available to prospective students and employees the annual Campus Safety/Fire Report, including the most recent campus crime statistics. This is part of the Federal Law No.101-542, the Student Right-to-Know and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1999 (formerly the Campus Security Act of 1990). This report is available in online via <http://www.lrcc.edu/campus-safety>. This report is writing by Campus Safety Coordinator David Stevens. The Crime stats are from our Incidents Crime log.

Please note that the safety and welfare of the entire college community is and continues to be an overriding concern. The referenced legislation requires a formal approach to the issue, but LRCC has always been keenly sensitive to establishing procedures that provide the maximum security and safety within its capabilities to all people of our college community.

Three emergency blue-light phone towers and a fourth emergency phone located in all parking lots (A, B, C, D) throughout the campus provide students, employees, and guests 911 access in case of an emergency. LRCC's Campus Safety Office and Maintenance personnel conduct regular tests of life-safety equipment, such as lighting, alarms, locks, and paging system. Criminal incidents on campus and at Apartments are referred to the appropriate police department, (Laconia Police) Lakes Region Community College maintains active Memorandums of Understanding (MOUs) with the Laconia and Belmont Police Departments who would investigate Crimes in timely fashion, that same day or within 1 business day.

LRCC's two student support counselors 603-366-5261 work closely with New Beginnings staff to assess students' needs, provide accurate information on student's rights and ensure that students are aware of the support resources available to them. In addition, LRCC contracts with Lakes Region Mental Health to provide mental health support services on campus. Our mental health counselor also serves as a referral source for students.

New Beginnings – Without Violence & Abuse provides emergency refuge and support services to victims in Belknap County. Information is available at www.newbeginningsnh.org and 603-528-6511. Information is available 24 hours a day from the following hotlines:

LRCC is one of the partners involved in the Prevention Innovations Research Center's (PIRC) **New Hampshire Non-Residential and Community College Sexual Assault Policy and Prevention Initiative (CSAPPnh)**. Among the group's goals is to help partners assess current resources and practices aimed at preventing and responding to sexual violence or harassment on campus. Our participation will help to develop new programs and build resource capacity.

Drug/Alcohol Free Campus Statement

In compliance with the Drug-Free Schools and Communities Act Amendment of 1989, Public Law 101-226, Lakes Region Community College informs all students and employees about its drug and alcohol abuse prevention policies and prevention programs. The CCSNH Colleges are drug and alcohol-free campuses.

Alcohol

1. The LRCC supports the Drug Free Schools and Communities Act Amendment of 1989, P.L. 101-226, and complies with this and all Federal, State, and local laws pertaining to controlled substances, including alcohol.
2. The LRCC recognizes alcohol abuse as a deterrent to the mission of the Colleges. The abuse of alcohol imposes consequences on the individual, the College community, and the community as a whole. To address alcohol consumption at the CCSNH, all Colleges in the CCSNH shall provide educational programs on the abuse of alcohol and other drugs and provide referral for assistance for students who seek it. Colleges are encouraged to establish campus-wide committees to assist in development of these programs in response to particular campus needs and identification of referral resources in their respective service regions.

3. Alcohol is not permitted on LRCC property, including any of the Colleges, academic centers, leased facilities except as specifically allowed by CCSNH policy and laws governing the acquisition, distribution, possession, or consumption of alcohol. The sale or distribution of alcoholic beverages is regulated by the laws of the State of New Hampshire, and local or county ordinances. The acquisition, distribution, possession, or consumption of alcohol by members of the CCSNH community must be in compliance with all local, state and federal laws.
4. Except as prohibited by law, and provided that all conditions of any Federal, State and/or local law, regulation or code are met, students over the age of 21 and not otherwise lawfully barred from the use of alcohol, may possess or consume beer or wine only within the privacy of their residential housing unit provided no persons under the legal drinking age are present and students conform to the Student Code of Conduct. Open containers of alcohol are prohibited in any common areas in and around residential housing. Students of legal drinking age on a college sponsored trip may consume alcohol subject to the rules regarding intoxication in the Student Code of Conduct.
5. Students should be aware that the ability to possess and consume alcohol on LRCC property is a privilege and that alcohol must be used responsibly. Primary responsibility for knowing and abiding by the provisions of components of the LRCC Alcohol Policy and all relevant laws rests with everyone. Failure to abide by the terms of this Alcohol Policy and/or all provisions of the Student Code of Conduct, including rules regarding intoxication, may result in disciplinary action under CCSNH and College Judicial Policy. Guests of legal drinking age who consume alcohol on LRCC property are the responsibility of the College resident inviting them and the guest's behavior or violations will become those of the resident and subject to the Student Code of Conduct. Guests may be subject to removal from campus if intoxicated or if behaving in a manner that would constitute a disruption. At any time, as determined by the amount of noise, numbers of people and traffic patterns, the CCSNH Colleges reserve the right to suspend the ability to possess or consume alcohol within any given area.
6. No person may sell, furnish, or give alcohol to any person under the legal drinking age or to anyone who is visibly intoxicated, even if that person is over the age of 21.
7. Alcoholic beverages will not be permitted at student organization sponsored events without approval from the President. Requests for approval must be made in writing at least 45 days prior to the event. Those who grant approval for alcohol consumption must keep a written record of all such approval.
8. Food and non-alcoholic drinks must be available at all functions involving the distribution of alcoholic beverages.
9. No purchase of alcoholic beverages is allowed from any student funds under the jurisdiction of the CCSNH Board of Trustees. All events at which alcohol is served must comply with the CCSNH Alcohol Policy: College Facilities, including but not limited to the requirement that a third-party licensed vendor be retained for serving alcohol.

Drugs and Narcotics

The use, possession or distribution of non-prescribed drugs and narcotics, including marijuana, by students is not allowed on campus and will result in suspension or dismissal from the college. Any college student trafficking in drugs shall be subject to civil and college action. The policy of the college will be to cooperate fully with law enforcement officials in the proper exercise of their duty. This policy is based on Federal and State of New Hampshire laws pertaining to the use of drugs. (*Board Policies*, Board of Trustees – Community College System of New Hampshire <https://www.ccsnh.edu/wp-content/uploads/2020/08/System-Policies-700-Student-Affairs-08-31-20-1.pdf>)

Dangers of Drug and Alcohol

The physical and mental dangers associated with the use and abuse of drugs and alcohol are numerous. Heavy drinking over a period can cause physiological damage, physical problems, and serious nervous or mental disorders. Addiction to drugs or alcohol not only impacts upon the abuser, but it also places profound stress upon family members, relationships, and friendships. The college is concerned about abusers utilizing tools and equipment, which can be harmful to the individuals as well as to others nearby. Once again, the use of alcohol and/or drugs is strictly forbidden on campus.

Assistance

The College realizes that circumstances place individuals into situations that may lead to dependence upon drugs and/or alcohol. Recognizing its responsibility to be concerned with the total well-being of its students, the college provides referral service to those in need of counseling or medical support. Individuals are urged to seek assistance from a counselor and to secure the proper treatment they may need. Below are resources for substance abuse and treatment centers.

How to Prevent Crimes

Members of the college community must assume responsibility for their own personal safety and the security of their personal belongings by taking simple, common-sense precautions. For example, although the campus is well lit, any student may feel more comfortable calling the Campus Safety Department for an escort to their vehicle. Also, consider using the “buddy system” to walk to the parking lot. Vehicles should always be locked, and valuables stored out of sight. Any suspicious individuals or activity should be reported to college staff immediately.

Potential or actual criminal activity and other emergencies can be reported directly by any student, faculty, or staff member to the Campus Safety Department. The College encourages reporting directly to the local authorities (LACONIA Police) in situations where the need is obvious, such as a theft you see taking place or a situation requiring immediate medical attention, etc. Notification of College personnel should take place after the emergency services are on their way to the campus.

Lakes Region Community College expects students to be mature, honest, and responsible members of the College community. Any behavior which infringes upon the rights, safety, property, and privileges of another person or which impeded the educational process is unacceptable. In addition, any behavior or activity that violates local, state, or federal law is unacceptable. For further information, refer to the Student Code of Conduct located in the Student Handbook.

Any violation of these rules or local, state, and federal laws on campus should be reported to the Campus Safety Department. Violations of the law will be reported to the appropriate local, state, or federal authorities.

Disciplinary issues are the responsibility of the Student Affairs Office and the Judicial Committee of the College. The Vice President of Academic and Student Affairs or his/her designee may take administrative disciplinary action when necessary to ensure the safety of students, faculty, and staff and to ensure the continuation of the educational process.

Crisis Management Plan

Lakes Region Community College's Crisis Management response will be under review this year. The plan follows the model of the Federal Emergency Management Agency (FEMA)'s National Incident Management System (NIMS). The NIMS model utilizes a comprehensive approach to incident management that can be applied to a variety of emergencies.

In 2022 LRCC develop our own draft of an Emergency Operation Plan that will outline what steps are to be taken in an emergency. This plan will also include training and drill preparation to ensure staff and faculty are prepared for an emergency. Training in FEMA ICS 100 TO ICS 800 course, Staff responsible for sending alerts through our RAVE system will have access to pre-scripted messages which can be edited quickly for prompt distribution to the campus community.

There are ongoing trainings for faculty and staff on the use of the guides, LRCC Alerts and our paging system to communicate an emergency. In addition, LRCC invested in the installation of an electronic lock-down system enabling appropriate staff to lock-down campus buildings using campus ID'S.

Timely Warnings

In compliance with the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** (Clery Act), Lakes Region Community College will post **timely warnings** for our educational community to notify members about serious crimes that occur on our campus. (Within 24 hours) Having knowledge of such crimes will assist community members in making informed decisions about their personal safety and in preventing similar crimes from occurring. These warnings will be posted if a serious crime on campus constitutes an ongoing or continuing threat to the community. These crimes may be reported to the local police department. Laconia Police

The decision to issue a timely warning shall be made on a case-by-case basis by the President or Vice President administration office in compliance with the Clery Act. The decision is made by the Lakes Region Community College President, or designee, considering all available facts, whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

Lakes Region Community College may issue timely warnings for the following incidents:

- Criminal Homicide
- Sex Offenses
- Aggravated Assault
- Robbery / Burglary
- Motor Vehicle Theft
- Major Incidents of Arson
- Other crimes or emergencies as determined necessary by the Lakes Region Community College President, or designee.

Timely warnings are not issued for the above listed crimes if:

- The subject(s) apprehended and the threat of imminent danger to our community has been mitigated by the apprehension.
- If a report was not filed with Lakes Region Community College in a manner that would allow the department to post a “timely” warning to the community. Unless there are extenuating circumstances, a report that is filed more than five days after the date of the alleged incident may not allow the College to post a “timely” warning to the community. This type of situation will be evaluated on a case-by-case basis.

A timely warning and updates may be distributed to the campus through any one or more of the following mechanisms: By the President or Vice President or designee

- **LRCC RAVE ALERTS:** a free service that sends voice/text messages and email alerting the College community regarding and emergency on the College campus. Students can visit the Rave Alerts link found on our main College web page located under [mylrcc](#) to

update/change their contact information. Faculty and staff can register for the Alerts program and should contact the LRCC HR department to keep emergency contact information updated.

- **Directed Communications/Email:** The College will use the email system to alert students, faculty, and staff.
- **Through our college web site which can be found at <http://www.lrcc.edu>.** Local area radio and television stations and print media.

A copy of an issued timely warning will be kept with college files relating to the crime. The College may also issue “**Safety Alerts**,” when necessary, to apprise our community of safety issues and concerns. These “safety bulletins” will include safety tips and recommendations to follow so that individuals can make informed decisions about personal safety.

Availability of the Campus Security Report

The annual Campus Security Report is available October 1st of each year. This report includes statistics for the previous three years concerning reported crimes that occurred on-campus, in certain off-campus buildings or property owned or controlled by LRCC; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes College policies concerning campus security, such as policies concerning sexual assault and other matters. This report is available the following link <http://www.lrcc.edu/campus-safety>.

Fire Safety Report

Laconia Fire Department

848 N Main ST Laconia NH. 03246

603-524-6881

The Laconia Fire Department is a full-time, professional, full-service fire department on duty 24 hours per day, 365 days per year. The department responds to all types of fire. Medical, and hazardous materials emergencies in the City of Laconia and on the LRCC campus. The department provides EMS first response from EMT-Intermediate level up to the EMT Paramedic level. Laconia Fire Department has two fire stations located throughout the City on Laconia.

Fire Safety Systems

Residence Apartment

The LRCC student apartments (Apple ridge) are completely covered by integrated automatic sprinkler and fire alarm systems which are monitored 24 hours a day seven days a week by the Concord Fire Department. The buildings are equipped with emergency lighting which are designed to automatically activate whenever there is a power outage. Backup power supplies support life safety detection systems, as well as lighting and exit signage, for a limited period during an outage which will, if the outage is prolonged, require building evacuation.

Academic and Academic Support Buildings

Academic and Academic Support buildings (Robert Turner, CAT/HS and Automotive buildings) have coverage with integrated automatic sprinkler and/or fire alarm systems which are monitored 24 hours a day seven days a week by the Laconia Fire Department. The buildings are equipped with emergency lighting which are designed to automatically activate whenever there is a power outage. Backup power supplies support life safety detection systems as well as lighting and exit signage for a limited period during an outage which will, if the outage is prolonged, require building evacuation.

Fire Safety Training

Basic fire safety instruction is provided to all students by multiple means. Residence apartment room is provided with an instructional sign located on the wall inside the doorway entrance that contains information on what to do during an emergency. Students also receive fire drills at least once per semester to ensure they understand the proper building evacuation procedures during an emergency. Additionally, Resident Assistants receive specific training during orientation on their responsibilities during both fire and medical emergencies.

The Campus Safety Department conducts a hands-on fire extinguisher operation training live fire exercise for all resident assistants and resident directors at the beginning of each fall semester. This training is also extended to other campus staff members who would like to attend to include first responders. There were 6 Fire Drills conducted on Campus and at Student Apartments in 2021

Fire Safety at LRCC

Before you start making your room "your new home," take a moment to consider the LRCC and state fire regulations. Each year thousands of people are hurt or killed in fires. A lot of the deaths and injuries are needless because most fires can be prevented. The best way to avoid fires is to avoid the hazards. which create them.

Appliances and Cooking

- Any appliance used in your room must be listed or recognized to a UL standard by a national recognized testing laboratory. This includes clocks, radios, stereos, computers, etc.
- Appliances that are strictly prohibited in the student apartments include any item with a heating coil. I.e., toasters and toaster ovens, hotplates, electric fry pans and electric heaters.
- Appliances that may be used in your room but CANNOT be plugged in unattended include curling irons and irons. These items have heated exposed surfaces that have caused fires in the past.
- Extension cords may not be used for microwaves and refrigerators. Microwaves and refrigerators need to be plugged directly into an outlet it must be of construction-grade quality (generally the same size or larger than the units' own cord). If an adapter is used for a power strip or an extension cord, the ground lead must be connected. The only refrigerators and microwaves that are allowed are the appliances provided to you in your student residence room.
- When cooking in kitchen areas in Residence rooms you are required to be present when cooking, use range vents, ensure that you turn off stoves and other equipment and report any cooking fires that may occur.

Decorations

- If you use wall or door posters or hangings, they should be used sparingly. No more than 20% of the surface of any wall or exit door may be covered (this does not include furniture). This precaution eliminates excess combustible material which could cause fires to spread.
- State fire code preclude the use of overhead hangings of any kind including items hung from the ceiling, walls or pipes running horizontally with the ceiling are strictly prohibited. If an item is hung from a wall, the item must be completely touching that wall. This precaution prevents the possibility of materials falling during a fire.
- Candles, tarts, incense, and other items with a wick (such as kerosene lamps) and other objects that create and hold a flame are prohibited. No exceptions will be made for cut wicks or removed wicks. Candles have caused many serious rooms fires in the past and are one of the easiest ways for a fire to start.

Electrical

- Multiple outlet adapters (splitters or cube taps) with a fuse or circuit breaker are acceptable. Power strips with a circuit breaker or a fuse are recommended.

- When using an extension cord, it must match the same size and type cord supplied with the appliance. Use only Underwriters Laboratories (U.L.) listed cord sets.
- Any style lamp using a halogen type bulb is strictly prohibited. The intense heat generated by these lamps can cause a fire. All residence rooms are provided with forced hot water heat (Apple Ridge Student Apartments). No less than six inches is required between any furniture and the heater unit. While it may seem unlikely, several room fires have started due to items too close to a room heater. The following electrical appliances are not permitted in resident rooms air conditioners, heating units, sun lamps, halogen and lava lamps, toasters, grills, coffee pots, heating coils, personal refrigerators, microwaves, hot plates, and electric blankets.
- No wires may be run underneath a rug except low voltage wires such as telephone cords, speaker wire or cable wire.
- Decorative lights (i.e., holiday lights) are designated as temporary lights and can only be used for a 90-day period. (45 days before and after the holiday period). Additionally, no more than three sets of lights can be strung together.
- All pathways to exteriors exit doors, room doors, and windows must be always kept clear. This includes outside building as exits cannot be blocking clear path from building to nearest sidewalk, road, or parking area.
- An item hanging to enclose or decorate a sleeping space is not permitted.
- Room doors must open at least 90 degrees.
- Entrances, hallways, and stairs must be always kept clear.
- Displays, furniture or other items should not protrude more than 12 inches into a hallway or egress path. All hallway widths are calculated to manage the occupancy limits of building for fire egress.
- Bicycles, longboard, skateboards, or other items are not permitted in the hallways, entrances, or stairwells.

Tobacco/Smoking/Vape Devices

- Tobacco in any form to include smoking/vaping is prohibited in all campus buildings and Residence Apartments. Smoking is only allowed in the two designated smoking gazebos. There is a smoking gazebo located outside of shipping receiving and beside basketball court.
- Open flames, candles, incense, lit cigarettes, cigars, pipes, or instruments used for vaping are not allowed in any area of the residence apartments and are strictly prohibited.

Other Regulations

- The building of structures in resident rooms (i.e., lofts) is prohibited.
- Flammable items such as: stain, flammable cleaning solvents, butane, propane torches, gasoline, camping or cooking fuels, oil lamps, oil candles and kerosene lamps are all strictly prohibited in residence apartments and academic buildings. Any of these items for use as part of campus operations must be properly secured and stored.
- Empty trash frequently and into outside dumpsters to avoid it accumulating and becoming a fire hazard.
- In residence apartments placing room trash in bathrooms, hallways, or other common areas is prohibited as it creates a fire hazard.

Building/Room Inspections

- Safety inspections of student rooms for fire hazards and violations will be conducted several times per semester. (This inspection is held in conjunction with fire devices/smoke/CO2 detector testing, which is required by state law.) Room inspections are designed to point out hazards and violations that have been overlooked. As a result, if any of these conditions exist in your room you will be asked to address them and may also be fined for the violation.
- Residence Life, Campus Safety and the Maintenance Department are among the departments that inspect rooms for health and safety. Any questions about the fire safety room checks or policies may be directed to your Residence Apartment Director, Director of Residence Life, or the Director of Campus Safety.
- These guidelines and regulations are in place for your safety and the safety of your neighbors. Fire Safety is everyone's responsibility; please do your part to help make your residence apartments community a safe place to live.

If a fire is discovered on campus or in any campus building

In all buildings, the fire alarm system and area sprinkler systems should activate. If the fire is small you may attempt to use a fire extinguisher to put out the fire. If you are unsure or there is a lot of smoke, immediately evacuate the area.

Immediately call 911. Then call Campus Safety (603) 366-5280 Cell (603)545-4392

Additionally, those caught causing a malicious false alarm may be arrested and prosecuted to the full extent of the law, violations of college policies, and may be held accountable for any injuries or damage which occurs during a fire evacuation. LRCC will **NOT** put up with anyone who "fools around" with fire or false alarms.

Fire Extinguishers

Fire extinguishers are found in hallways and communal areas. These are the first line of defense in case of a fire and could save lives. Do Not Tamper with Fire Extinguishers.
