

ACCOUNTING

Why Accounting?

Accounting is a rapidly growing career field. In fact, The US Bureau of Labor Statistics projects that the accounting field will grow by 10% between now and 2026, faster than the average for many occupations. An Associate Degree in Accounting from Lakes Region Community College will prepare students for entry-level financial and accounting positions upon graduation, or transfer to a four-year college. Students who study accounting will be exposed to a strong business curriculum, providing them with a solid business foundation, and diverse background, making it easy to transition into other areas of business.
