Steve Tucker at stucker@ccsnh.edu OR
Andy Duncan at aduncan@ccsnh.edu

The **BA-Technician course** is a 4-day course that prepares students for Building Performance Institute (BPI) entry-level BA-T certification. Students learn how to evaluate residential buildings as energy systems.

(Register separately for the 4-hour field exam. CRN # 23490, Course # NCWK 9005L, \$800, April 1-10, off-campus in Nashua.)

The **BA-Professional course** is a 3 1/2-day course that prepares students for the BPI BA-P certification. Students analyze building energy assessment information to develop home energy performance work scopes.

(Register separately for the 2-hour written exam. CRN # 23488, Course # NCWK 9003L, \$400, April 24 at LRCC.)
