Business Management

Why Business Management?

Business is one of the most popular fields of study in college. Business graduates are in high demand, and business touches upon just about every aspect of society.

An Associate Degree in Business Management from Lakes Region Community College will prepare students for entry-level jobs upon graduation, or transfer to a four-year college.

Students will be exposed to a variety of business topics, including entrepreneurship, management, marketing, international business, project management, human resources, and finance. The diversity of classes gives students an opportunity to explore several different areas of business, where they will gain a solid foundation in each.

Potential Salary:
