Liberal Arts

Why Liberal Arts?

The Liberal Arts Associate Degree is a pathway to a variety of Bachelor's programs. The program is designed both for students who have definite transfer plans and those who are undecided. The flexibility in course selection enables students to explore a broad range of disciplines. The program is designed to help graduates communicate effectively; solve problems using critical, creative and scientific reasoning; interpret facts and evaluate issues from multiple perspectives; utilize technology; and prepare to be an effective participant in global society.

Transfer Pathways

LRCC graduates have successfully transferred to many colleges and universities including:

- Plymouth State University
- University of NH
- Keene State College
- Colby Sawyer College
- Southern New Hampshire University

Potential Salary:

"On average, people with an associate degree earn 25% more annually than people with only a high school diploma. People with a bachelor's degree earn 61% more annually than people with only a high school diploma. That adds up to over \$1,000,000 of added income over a lifetime of work!" (Quoted from www.NHTransfer.org)

Estimated Degree Program Cost:

- Year 1: \$8,220
 - Year 2: \$8,110
- for a total of \$16,330**

*Costs are based on in-state tuition and do not include fees, supplies, or books. Additional fees may apply; all prices are subject to change.

Did you know?

Liberal Arts students go on to earn bachelor's degrees in business, education, psychology, criminal justice, social work, engineering, environmental science and more!
