Toyota Technician Education Network

Why Toyota/Lexus/T-TEN?

The Toyota-Technician Education Network (T-TEN) is a partnership between USA Toyota Motor Sales, the Northeast Region's Toyota/Lexus dealerships and LRCC.

This program provides the best possible education for Toyota Lexus Technicians with state-of-the-art technical training on the latest Toyota and Lexus vehicles, academic course work, and paid dealership experience. The T-TEN program fills a need for well-educated and motivated technicians with specific product knowledge immersed in the Toyota Lexus culture of continuous improvement.

Successful students develop the skills and attitudes that support continued growth in a technologically dynamic field. Graduates who complete the 22-month cooperative education Toyota Lexus technician education program receive an Associate of Applied Science Degree in Automotive Technology and Toyota Lexus certifications in all areas.
